England Athletics Ltd

Dear Sir

Competition Survey

I understand from the South of England AA that I should have received a questionnaire on a Competition Survey and that replies to the questionnaire are required by 15 October.

Could you please send me a questionnaire and a copy of the Competition Survey.

The Survey apparently covers a very wide area covering Leagues, Counties, Schools and clubs as well as age group adjustments. It is difficult to see how we can give a measured response in the time available. The time involved in informing people of the salient contents, gathering them together for a meeting and finalising their views would seem to indicate that a reply date of 30 November would be more realistic.

Yours sincerely

Don Turner
Hon Sec, Surrey County AA
