

SURREY COUNTY ATHLETIC NEWS

(Issue 42 - February 2005)

URGENT MATTERS

At the forthcoming AGM of the AAA of England it is expected that clubs will be asked to vote on a proposal to, in effect, replace AAAoE by England Athletics. This is the consequence of the deliberations following the publication of the "Foster" Report. The consequences of the vote, whichever way it goes, are likely to be fundamental for the future development of our sport. The Surrey County Athletic Association considers it to be very important that all clubs express a view by voting at the AGM. Each affiliated club has at least one vote and if a club representative is unable to attend then the club can submit a proxy.

It is difficult to know the precise consequences of the proposed structure that would underlie England Athletics with its hubs/regions taking over many of the functions of the territories. There are differences of opinion as to the intended roles of county associations - some believe that the new structure means that counties will go the way of the territories whilst others see the counties continuing as before (if they choose). We in Surrey (ie sporting Surrey as opposed to political Surrey) will be affected by the proposed structure as we are likely to be split across two hubs/regions and therefore will have two separate bodies administering our activities as opposed, at present, to a single body - the SEAA. We have managed over recent years to work with RDC's who are based in separate regions but now the situation is different because the proposals now impact upon on the competitive structure.

We are told that the England Athletics Working Group has produced detailed plans. There will be a series of meetings in early February at which members of the project team will discuss their proposals. The meetings which are being held near to Surrey are:

Monday, 7 February at Thames Valley Athletic Centre, Eton (7.00 for 7.30pm)

Tuesday, 8 February at Sport England, Bloomsbury (7.00 for 7.30pm)

Wednesday, 9 February at Broadfields Stadium, Crawley (7.00 for 7.30pm)

All Surrey clubs are urged to attend one of the above. Included with this copy of SCAN are copies of the paper produced by the Project Team in December 2004 and a copy of a recent letter sent by the Association seeking clarification of various matters. When a response is received to our letter it will be forwarded to club secretaries. In this way we are attempting to provide the clubs with as much information as possible to assist them in making their vote. Also included is UKA's response to the consultation on the competitive structure.

On the centre pages within SCAN you will find items from Our President, Martin Goodway and the RDC for the South East Region, Elspeth Turner.

REMEMBER. YOUR CLUB HAS A VOTE.

FROM OUR PRESIDENT

Surrey athletes at the SEAA X/C Champs have marked the early part of the winter season with success at Stowe Public School in Buckinghamshire. The U/13 girls won their event with a fine team performance. Our leading girl Maddy in 2nd place ran her heart out and needed St John TLC at the finish. Her teammates, Emily & Catherine were in the next two places with Bethan 17th clinching the team prize. Earlier Phil Wickes had finished first in the U/23s race having headed the race for practically the whole way. To crown the day our Senior Ladies, aided by members of the U/20s team, took 2nd place and were made to climb the steps of a stone renaissance building in the grounds of the school to receive their medals from Maureen Smith this year's SEAA president. All in all a good day for Surrey and I thank all the athletes and team managers for making my day so worthwhile.

Earlier Surrey held their Young athletes' team X/C champs in October on a very wet day in Guildford. The Club turnout was good making the effort by Bruce Judd, his team, local club Guildford & Godalming and the officials worth it. AFD and HW dominated the day however; they did not have it all their own way. I enjoyed presenting trophies and medals to so many enthusiastic athletes unfortunately mainly in the toilets as a result of the weather!!

Finally we staged our X/C champs at Lloyd Park with the help of local club Croydon Harriers led by Ken Croke. It was a sunny day but all athletes had to run into strong head winds hence most of the medal and trophy winners were all very slim. The event was very well supported by our athletes and my thanks goes to the band of stalwart officials who stayed out on the course not only at the start and finish but out in the 'country' marshalling the course. I managed to get round to seeing most but due to the need to be with the ever present Bruce Judd and his band of followers to present the trophies and medals to athletes and teams I did not manage to see all of them. My written thanks go to those marshals furthest from the start that I did not see.

I would like to take this opportunity to appeal to athletes and their team managers to return trophies that they received the previous year in good polished, as applicable, condition and arrange to repair any damaged ones, at the counties cost, so that all trophies are in a suitable condition for presentation at the following event. The lack of a trophy to receive spoils the pleasure for the athletes after a strenuous effort so remember the moment that you experienced and make sure that those who follow enjoy the same.

At the moment Surrey is involved in trying to influence the new set up for athletics in the UK. We want to ensure that the considerable experience that the volunteers, who run athletics in the County, at both County and Club level, influence the final outcome to the benefit of all those involved. Remember there are meetings in our area, at TVSC at Eton, Sport England at Bloomsbury and Broadfields Stadium, Crawley on 7, 8 & 9th February at 7 for 7.30 p.m. It's your chance to effect the result, hopefully for the better and not a chance to be missed. I am looking forward to attending the Sports Hall regional final on 27th February at the Spectrum to support our team and the County Indoor Champs held on 5/6th March at Sutton Arena. I hope that the indoor Champs will be well supported and the Surrey sports hall team progresses, as usual, to the National Finals in Birmingham on 20th March. I expect that our

new President will attend the meeting with you, as I will have passed on my medal at the AGM on 18th March.

From the evidence of the X/C meetings that I have attended Surrey should do very well at the inter-counties meeting at Nottingham on 5th March. However we will only do well if our very best athletes are available on the day so, athletes and coaches, prepare well and make sure that you are available. It will be my very last chance to be with you as your President so make it a really good day for yourselves, the County and me.

Martin Goodway

MESSAGE FROM ELSPETH TURNER

The Foster Report published in May 2004 identified key areas in which our sport of athletics need to 'move on' and modernise.

During the next few weeks Jack Buckner and members of the Foster Report Team will be conducting consultations meeting in the regions.

With devolved responsibility the regions will command a considerably stronger role in the future.

What does this mean for the South East region ?

Sussex, Surrey and Kent face the prospect of becoming a new larger region encompassing the current South region - Hampshire & the Channel Islands, Berkshire, Buckinghamshire and Oxfordshire.

How will this function ?

The regional meeting to be held on February 9th in Crawley will be an opportunity for you to influence future decisions regarding the South East region.

A similar meeting will be held in London on February 8th.

If athletics is to be run from a more regional perspective, it is vital that athletes, coaches, officials and club personnel contribute. They are the people who know what is needed.

If you are unable to attend but would like to send any views please let me have these by e mail, post or phone as I would be happy to present them on your behalf.

I look forward to seeing you on February 9th if you are able to attend.

Please extend this invitation to any athletes, coaches, officials or club members who may be interested.

SURREY ATHLETES AT INTERNATIONAL MEETINGS (November 2004 - January 2005)

EUROPEAN CROSS COUNTRY CHAMPIONSHIPS - HERINGSBOROUGH, ENGLAND - 12 DECEMBER.

Natalie HARVEY (South London Harriers) finished 13th in the Senior Women's race at the Spar European Cross Country Championships. She was the third Briton in the team which finished second.

PETER HARDING 1921 - 2004

Peter Harding, a founder member of Walton Athletic Club in 1942, died in St Peter's Hospital, Chertsey, Surrey, on November 18 at the age of 83. He had been suffering from cancer.

Harding began his running with a group of friends on the track at Stompond Lane, Walton, which had been completed just before the outbreak of the Second World War. While London was subject to intensive bombing, Walton-on-Thames was, in comparison relatively unaffected and while many tracks were taken over by the military or mothballed, the one at Stompond Lane was open and available.

Encouraged by a local council official, Harding and four friends formed Walton Athletic Club in 1942 and he was founder secretary from then until 1985. His running days were cruelly ended when he was struck down by polio while on his honeymoon but he never lost his enthusiasm for athletics or his club and was a familiar sight at Stompond Lane with a walking stick.

The new club thrived and in the 1950's boasted some of the top athletes in the country including former world 5000m record-holder Chris Chataway, former UK 1500m record-holder Bill Nankeville, four times AAA mile champion in 1948, 1949, 1950 and 1952, 400m international Malcolm Yardley, pole vault international Bert Hopkins, former UK triple jump record-holder Ken Wilmschurst, Irish cross country international Terry Keegan, discus international Mark Pharoah, steeplechase international Tony Llewellyn and Welsh international Bob Roath.

Harding was also closely associated with the Road Runners Club whose founder Ernest Neville lived nearby. Stompond Lane was the venue for a host of ultra-distance track races, in which top runners like Gordon Pirie, Joe Lancaster, Arthur Keily, Mel Batty, Gerry North, Jim Alder and Jim Hogan took part in the 1950's, 1960's and 1970's.

Harding also launched the annual Hewitt-Jones road relay immediately after the war named after two Walton runners who were killed on active service. The relay continued until a few years ago.

"He was really Walton Athletic Club and helped get the club on its feet and keep it going," said Bruce Judd, who joined Walton in 1949. "It was very sad the way he left the club and after 1985 he never really returned although he did occasionally walk round the track to see what was going on."

Clubs:future Awards

UK Athletics clubs:future, now generously supported by the Foundation for Sport and the Arts (FSA) will be holding the next National grant panel in February. Clubs must submit their grant applications to the Region at the start of February. In November 2004, a total of 35 awards were made, totalling £30,000. This money is going directly to clubs and club partnerships to fund specific programmes, focussed around building retention and improving performance. For further information contact your RDC.
